Supremma Super Automatic Coffee/Beverage Center

Supremma Super Automatic Coffee/Beverage Center is unlike competitive models. It features a professional brewing system developed by Bianchi-the renowned Italian manufacturer of vending machines, which allows us to offer an unprecedented **10-Year-Limited Warranty** on the **brewing group**(only). This well designed, full featured, super automatic coffee center is ready to serve your every coffee need with a simple touch of finger. Whether for one shot at home, business meeting or social event, this all in one coffee powerhouse requires minimal maintenance. Professional performance in a super automatic coffee / beverage center with intelligent and elegantly refined design. Fully programmable incorporated professional ceramic grinding plates, coffee essence system (CES), use with whole bean or ground coffee + **BONUS CAPPUCINADOR** included free!

CA4865

Additional features include:

- Easy to use Touch Screen displays information on the selection made and guides the user
- Top performance 18 Bar pump, 8 programmable options, and temperature control
- Large 1.8 liter removable water tank on the side with visible water level and blue cobalt light
- Powerful Maxi Cappuccino milk frothing device with Bonus Cappucinador for making perfect Cappuccinos and Lattes - valued at \$50 included free!
- Coffee Essence System (CES) is a pre-infusion that extracts and boosts the aroma and flavor of the coffee, works with either ground coffee or whole beans.
- Professional quality adjustable ceramic grinding plates do not burn the coffee even at high speeds thus preserving the real taste and provides variation in coarseness
- Includes instructional DVD to avoid returns and give consumer added confidence
